## SECRET SISTERS

It is always fun to receive gifts. How about being given 4 gifts in the span of two and half days? Even more fun is being the person who plans and shops for something to surprise and please, and then getting to see the pleasure on the recipient's face. Great way to make new friends!

Join the fun by becoming a Secret Sister at the retreat. You will need to give at least 4 "gifts" and spend a total of \$20. You can give fat quarters from your stash, snacks, sew something – so many possibilities. Try to make personal. Try to make it fun. Your secret sister maybe someone you know or someone whom you have not met yet. The answers to the questionnaire will help you learn about your secret sister and help with ideas. IT IS SOOO MUCH FUN!!
